

Air Force JROTC 4

This fourth-year course includes continued instruction in flight through the Honors Ground Program. Other units of study are offered in leadership through management of cadet corps, and practicing management techniques, decision making, management functions for themselves and others. All extracurricular activities (Drill Team/Color Guard, parades, competitions, military balls, honorary groups, and community activities) apply. Students organize and lead flight(s) of cadets in all activities. Students planning to enroll in JROTC programs must meet program entry requirements.
