

Arabic 4

Arabic 4 focuses on expanding on the language skills of reading, writing, listening, and speaking, all in cultural context. It reinforces grammar and vocabulary in an intermediate-high language level through constant review and expands to challenge students as their skills develop to be able to read some literature and cultural readings. Students in this course take the American Councils' NEWL exam that produces AP®-style score reports, which can be used to apply for college credit and/or replacement.
