

# CFPA Dance 2 Corps

The content of "Corps" is designed to integrate and build upon concepts and skills from Company level class. Students increase their range of physical skills through the disciplined study of dance technique. Students also develop performance and production skills. Students continue to expand their appreciation of the dance arts by further study of dance history and its contribution to society. Students are introduced to the diversity that exists within the art form and their personal aesthetic. Students continue to develop their dance portfolios.
