

# Career Connections

## Career Connections Courses

### Career Strategies

Career Strategies consists of an in-depth study of career clusters through a variety of investigative activities. Students observe, analyze, and report on the demand for workers, worker qualifications, organizational structures, quality control measures, selected policies and regulations, ethical issues, and rewards of work. Students analyze career assessment results, compare various educational options, and develop or revise a plan related to their academic and career-related goals.

**Credits** 1

**Grades**

11, 12

**Schools**

Brentsville District High School

Colgan High School

Patriot High School

Potomac High School

Unity Reed High School

**Prerequisites**

This course is designed for students who have previously completed a two-year Career and Technical Education (CTE) sequence of courses.

### Entrepreneurship

This course introduces students to the dynamic world of creating, owning, and launching their own ventures. Students will learn concepts and techniques for planning an entrepreneurial venture, using design thinking and business model development. Students will learn about financial statements, marketing principles, sales and customer service, and basic economic principles required for successful business operation.
