

English Language Development and EL Support

English Language Development and EL Support Courses

Algebra Readiness

This course is designed for English Learners at English proficiency level 1 and 2 who require support with the development of content and academic language in mathematics. The WIDA ELD Standard for the language of mathematics supports the VA Standards of Learning for mathematics. Students will focus on number, number sense, computation, estimation, patterns, functions, and algebraic concepts. Students enrolled in this course must be concurrently enrolled in Algebra 1. An elective credit is earned for successful completion of the course. The course may not be taken more than one time during high school.

English Language Development for English 9

This course is designed for English Learners at English proficiency levels 1-4 and is aligned to the WIDA ELD Standard of language for language arts and the VA English 9 Standards of Learning. The course content aligns to the units of instruction for English 9. Students examine various literary genres with linguistically appropriate texts and engage in narrative, expository, and persuasive writing. Accelerating English development with increased fluency is emphasized as students read and respond in English for academic purposes. Students enrolled in this course must be concurrently enrolled in an English 9 course that does not carry the SI designation. An elective credit is earned for successful completion of the course. This course may not be taken more than one time.

English Language Development for English 10

This course is designed for English Learners at English proficiency levels 1-4 and is aligned to the WIDA ELD Standard of language for language arts and the VA English 10 Standards of Learning. The course content aligns to the units of instruction for English 10. Students read and analyze literary and nonfiction texts, exploring the characteristics of different forms and techniques authors use to achieve their intended purpose. Students also engage in the writing process (pre-write, draft, revise, publish). Students enrolled in this course must be concurrently enrolled in an English 10 course that does not carry the SI designation. An elective credit is earned for successful completion of the course. This course may not be taken more than one time.
